

# Beers & sights of Southern Poland

Wed 26th July to Thurs 3rd August 2017

**J**OIN us on Shoreham Society's third summer trip to **Krakow & Zywiec**: only **£390** for nine days. The riverside town of Zywiec is Shoreham's 'Twin Town' in southern Poland with a huge brewery, a large lake and an international folk festival. It's close to some world heritage sights which we'll visit: the Salt Mines at Wieliczka, Wadowice, Auschwitz and of course Krakow, where we stay for three nights. We'll visit the Tyskie brewery and some microbreweries too but it's not all beer because we can enjoy the local food, the customs, history and culture with free entertainment each evening in Zywiec at The 47th *Festival of Polish Highlanders' Folklore* ([www.tkb.art.pl](http://www.tkb.art.pl)) held in the park amphitheatre and Castle courtyard. The climate is mild and pleasant.

Hotel Maxim, Zywiec

We fly from Gatwick and have our 20-seat minibus to take us to the hotel and out on the trips. **PRICE**

**9 days £390**

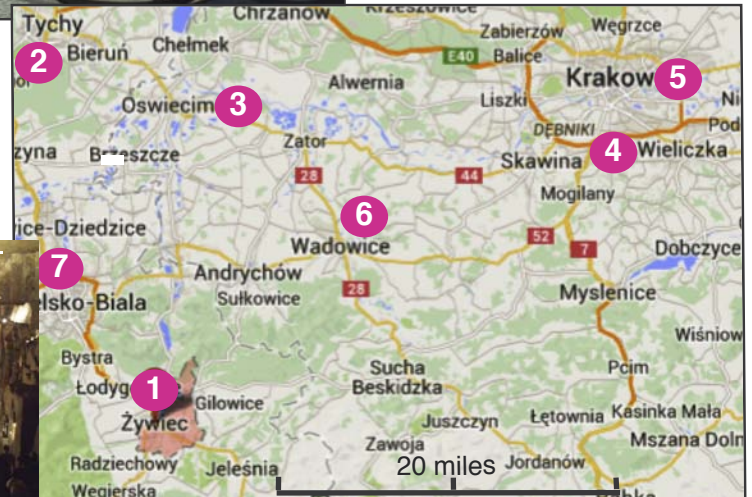

based on 2 sharing a room; single supplement £100. Meals – apart from breakfast – are not included so there will be opportunity to visit the bars & restaurants of Krakow and our Twin Town, which are great value (especially for beer). You need to pay a £50 deposit now and we will all meet a month before departure to discuss final details. **See over.**
